

YEARBOOK PHOTO SELECTION GUIDE

In yearbook, we rate pictures on a scale of 1 to 5. Here's what we're looking for:

1 ★

- lacking center of interest
- does not show face or tell story
- little detail in the setting/background
- poor angle or cropping
(can't see a face or action, body cut in half)
- one-star photos are often grainy or blurry

2 ★★

- + good picture quality
- + clear subject
- little detail in the setting/background
- Posed, less natural expression
- not active
- something's missing
-

3 ★★★

- + good picture quality
- + clear subject
- posed, less natural expression
- little detail in the setting/background
- not active

4 ★★★★★

- + good picture quality
- + unposed, clear subject
- + shows emotion
- + setting/background gives context
- + tells a story
- not active

5 ★★★★★

- + good picture quality
- + clear subject
- + unposed, natural expression
- + emotional and active
- + context for setting/background
- + uses good composition
